The Main Street Stitcher's Garden Policy for Events and Classes

The shop is here for all our patrons to enjoy and have fun. That being said, we need to implement a few policies. We love having you take classes with us or come to events. To keep things fair for all please read the following.

Classes: Classes are to be registered for and paid for by the class or the listed cut off date. If you do not sign up for class, you cannot “just drop in” the day of class. Only the class participants are allowed in the back classroom area when classes are being held. This is only fair to the people that have paid for the class.

Events: This includes Spring Fling, Camp You Gotta Go Stitch and any other event planned: All events need to be signed up and paid for **before** the date that will be listed on the event as the “cut off” date. This is needed because **the shop** has a cut off date where we have to let the venue know how many people to expect well in advance. We, as a shop, need to know well in advance so we can do our advanced preparations for the event. We would love to have you come up for part of the event but this **must be cleared by the shop in advance** so we know how to plan for the space. **There will also be a fee for the day due** to the fact that we have to pay for the venue and all the paid participants have paid a fee it is only fair to everyone.

Any plans that anyone makes concerning the shop, events etc, all have to go through Nancy and Phyllis in advance. No exceptions. Thank you for your understanding.

What fun we are having with our Secret Stitching Sister Group!! Please remember that the “gifting” months are March, June, September and December and of course, your SSS Birthday! You are welcome to add to your page if you think of anything else you would like. Also, if you do not have a basket or box in the Secret Stitching Sister place please do provide one so there will be a place to drop your gift off.
